Civil No. JFM-00-1391

Dear Counsel:

I have reviewed the motion to amend scheduling order that was filed on September 27, 2001. I understand that the government consents to the motion.

The schedule is hereby modified as follows:

November 29, 2001	Deadline for KFC's Rule 26(a)(2) disclosures
January 18, 2002	Deadline for the United States' Rule 26(a)(2) disclosures
January 25, 2002	Deadline for Rule 26(a)(2) disclosures <u>re</u> rebuttal experts
January 29, 2002 8:30 a.m.	Status conference
February 28, 2002	Deadline for dispositive motions (subject to the provisions of Local Rule 105.2.c)
March 15, 2002	Deadline for oppositions to any summary judgment motions and any cross-motions for summary judgment
March 29, 2002	Deadline for opposition/replies
April 8, 2002	Deadline for replies (if any cross-motion is filed)

Despite the informal nature of this ruling, it shall constitute an Order of Court, and the Clerk is directed to docket it accordingly.

Very truly yours,
